

Historic Chicago Greystone Initiative®

Free Workshop on the Care And Maintenance of Historic Greystone Masonry

The Historic Chicago Greystone Initiative® at Neighborhood Housing Services of Chicago offers technical and financial assistance to help Greystone owners preserve, restore, and modernize their historic homes. There are special incentives for Greystone owners rehabbing their home and the program is available city wide.

This FREE workshop will be presented by Mario Machnicki, president and co-founder of U.S. Heritage Group, Inc. With 30-years of masonry construction and restoration experience, Mr. Machnicki has been featured in *This Old House* and the *Chicago Tribune*.

The Workshop Will Cover:

- Common conditions and deterioration problems
- Identifying priority repairs
- Establishing a scope of work for masonry repair projects
- Best practices for cleaning, tuckpointing, repairs, etc.
- Creating a budget and affordable financial resources available to fund repair projects
