**U.S. Heritage Group, Inc.  
Credit Policy & Terms**

Please complete attached Credit Application: please list at least three (3) major suppliers with whom you have had an account for more than one (1) year. The credit limit on these accounts must be the same or larger than the amount you are applying for with us.

For all our custom made products a 50% non-refundable down payment is due at the time of placing order. Balance is to be paid within established terms aging from the date of the order. A valid credit card is required to open your account. Credit card on file will be charged for any amount outstanding for over 60 days, including a 10% finance charge.

Custom made products are manufactured per order therefore please anticipate 1 - 3 weeks for delivery to the site. The final colors of custom mortars might vary, and could be slightly different from the colors displayed in our Color Selection Kit. We highly recommend testing/installing samples on the job site before placing a final order as custom products are not returnable.

*U.S. Heritage Group, Inc. reserves the right to revoke your credit privileges at any time.*
